

## *7 Tips if a Greyhound is Right for You*

A Greyhound will fit perfectly in your home if you:

1. have an empty space on the couch.
2. have a space to fill in your bed.
3. love to spoil.
4. need help keeping the house clean, Greyhounds like to collect things.
5. are looking for a roo companion. Rooing is a cross between a bark and a whine, Greyhounds do this when they become excited.
6. are not looking for a puppy. Greyhounds come into the adoption program between the ages 18 months to 5 years.
7. looking for a dog that will run away with your heart. Many adopters claim that the Greyhound picked them.
